It is unlawful for any type of business entity to reimburse an individual for a contribution made by that individual to a City candidate. Political contributions are not tax deductible. City law permits only personal contributions and limits contributions to \$550 per individual for the primary election and another \$550 for the general election. A couple may contribute \$1,100 per election per couple from a joint account if both parties sign the check, credit card authorization form, or accompanying letter. Contributions from businesses, labor unions, PACs, and other types of "organizations" are prohibited. We may not deposit your check or credit card payment without your name, address, occupation, and employer. We may not accept cash, cashier's checks, or money orders over \$99. We may not accept contributions from foreign nationals.
