Dear Tommy Hough,

Congratulations! On behalf of the Executive Board & delegate body of the San Diego & Imperial Counties Labor Council, I am pleased to inform you that you have earned our **2018 Endorsement** of our 125,000 member organization. Union members, living and working in San Diego, are placing their trust in your candidacy. Your commitment to stand up for working families, especially on issues of importance to us, such as expanding access to healthcare, protecting the right of workers to bargain collectively, improving the standard of living for all workers, and most of all, the willingness to fight for issues important in our communities is valued and appreciated.

We are proud to offer you our “2018 Endorsement” and most of all, the support of our members. We look forward to standing side-by-side with you as we fight for policies that improve the lives of **ALL** workers.
